Hokulani Imaginarium and Aerospace Lab
GROUP VISIT INFORMATION

How to Book a Group Visit

Please complete the “Group Visit Form” (available online at: Group Visit Form) and send to Krissie Kellogg at:

Email: krissiekellogg@yahoo.com

Phone: 808-235-7321
If you receive voicemail, please leave a detailed message including the information on the “Group Visit Form”.

Fax: 808-247-5362

Mail: Krissie Kellogg
Windward Community College
45-720 Keaahala Road
Kaneohe, HI 96744

Krissie will contact you as soon as possible to confirm the details of your group visit.

General Information
There is a minimum of 30 people (including teachers and chaperones) required to book an Imaginarium show. The Imaginarium has a seating capacity of 66, plus four areas designated for wheelchairs.

Groups may combine an Imaginarium show with a visit to the Aerospace
Exploration Lab at no additional cost.

Please note that the Center for Aerospace Education requires the following ratios of adults to students:

<table>
<thead>
<tr>
<th>Grades</th>
<th>Ratio</th>
</tr>
</thead>
<tbody>
<tr>
<td>PreK-2</td>
<td>1:8</td>
</tr>
<tr>
<td>Grades 3-7</td>
<td>1:10</td>
</tr>
<tr>
<td>Grades 8-12</td>
<td>1:15</td>
</tr>
</tbody>
</table>

**Payment Information**

The Center for Aerospace Education accepts cash, checks and credit cards as payment. Checks should be made out to “University of Hawaii”. Please notify Krissie Kellogg if you will be paying via credit card and she will provide Windward’s credit card payment procedure. You may submit payment to Krissie Kellogg in person on the day of the field trip or via mail at:

Krissie Kellogg  
Center for Aerospace Education  
Windward Community College  
45-720 Kea’ahala Road  
Kaneohe, HI 96744

  $4/child (12-years-and-under)
  $6/adult
  Minimum charge of $250

• Other Groups:
  Price structure determined on a case-by-case basis. Please call 235-7350 or email laychak@hawaii.edu for more information.

Lunch Information
You may bring bag lunches to WCC and store them in the Imaginarium. There is a grassy area and covered walkway outside the Imaginarium that students can use to eat lunch. We recommend scheduling additional time in your visit if you plan to eat lunch or a snack.

Bus Information
The Imaginarium is located on the campus of Windard Community College in Kaneohe. The address is 45-720 Kea‘ahala Road, Kaneohe, HI 96744. Turn right at the college entrance, then left at the end of the road. There is a pull-out in front of the Imaginarium that buses can use to unload.

Aerospace Exploration Lab
The Aerospace Exploration Lab contains a variety of hands-on activities and exhibits that promote student engagement in inquiry based learning of scientific concepts. Students are given the freedom to explore the lab at their own pace under the supervision of the AEL’s specialist. Concepts include forces, simple machines, magnetism, color, optics, sound, gravity and radar. The AEL is most appropriate for students in Kindergarten through Grade 6.

The AEL meets, at minimum, the Scientific Process strand benchmarks for students in K-6th grade. Other benchmarks are met based on student grade level and specific activities currently on exhibit in the AEL.
Imaginarium Show Descriptions
Grade level suggestions are based on the scientific content of the show. Please contact either Krissie Kellogg or Mary Beth Laychak (laychak@hawaii.edu, 235-7350) for any questions regarding show selection or educational standards. Imaginarium shows also include a live sky segment where students will explore the motion of the sky, constellations, planets, etc…

For detailed show descriptions and educational standards alignments, please contact Mary Beth Laychak or refer to our website:
